# Mobility and Assistive Equipment Hire

Quality mobility and assistive living aids that meet Australian standards can be costly to purchase outright. If you, or someone you love, needs mobility or assistive living aids on a short or longer-term basis, Quambie Park's equipment hire can provide a cost-effective solution.

All our equipment is TGA-approved and complies with Australian Standards

You can hire from 3 days to 3 months (or more) and the hire fee includes up to 15 minutes of training in the safe and effective use of the equipment.

## Mobility and Assistive Equipment Available for hire

Note: images are for illustrative purposes only and may not be an exact representation of the equipment we have currently available. Please contact us for precise specifications.

### SHOWER CHAIR

Shower safely – independently or assisted – while sitting

- ✓ Comfortable and stable showering rest
